

Week's Objectives, Deadlines, etc

Mon Objective: State the definition of a logarithm. Convert between logarithms and exponents.

Work: Sect 11.4 (p 723): 20 - 31

Tues Objective: State the properties of logarithms. Simplifying logarithms

Work: Worksheet

Wed Objective: Evaluating logarithmic expressions, and the Change of Base formula.

Work: Sect 11.4 (p 723): 32 - 40

Thu Objective: Solve exponential equations using a graphing calculator.

Work: Worksheet

Fri Objective: Solving exponential and logarithmic equations

Work: Worksheet

1 Binder Checks

Binder Checks will take place the week of Dec 10 - 14. A schedule will be posted.
