

Week's Objectives, Deadlines, etc

Tues Welcome: First Day Back

Objective:

- Review amended classroom procedures
- Review Derivative Rules

Work: Sect 3.6: 13 - 31 Odd **Due Thursday**

Wed Objective:

- Calculating the derivative of parametric equations.
- Calculating the normal line of a curve at a point.

Work: Sect 3.6 (p 137): 33-37 Odd, 41-48 **Due Thursday**

Thu Objective:

- Calculate the derivative of an implicit function.

Materials: Implicit Differentiation Worksheet

Work: Implicit Differentiation Worksheet

Fri Objective:

- Practice calculating derivatives quickly.

Extra Credit Work: Sect 3.6 (p 154): 51 - 56 (Note; these questions are fair game for a pop quiz.)
