

Week's Objectives, Deadlines, etc

Reminder: You must show work to receive credit for your homework. Answers alone will result in a maximum score of 50%

Reminder: Late homework assignments are penalized 10% for every day they are late.

Reminder: When the tardy bell rings, you must be seated, ready to start the day's lesson. If you are late for any reason, sit down quietly and get your materials out. Do NOT start talking to other people.

Mon Objective: Find the area between one curve and the x-axis.

Work: Worksheet

Tues Objective: Find the area between one curve and the x-axis over an interval.
