

Week's Objectives, Deadlines, etc

Mon Objective: Factoring Practice

Work: Sect 2.3 1-10

Tues Objective: Practice removing discontinuities in class.

Group Work: Sect 2.3 19 - 30

Wed Objective: Review average rate of change. Define the tangent line, using Fermat's definition.

Work: Section 2.4QR 1-10, Section 2.4 1 - 6

Thu Objective: Use limits to find the equation of the tangent and the normal line at a point.

Work: Section 2.4 9 - 14

Fri Objective: When does the tangent line not exist? What happens to the tangent line as x changes?

Work: Section 2.4 15 - 22
